The diagram shows a control panel with a table and a base. The table has four columns and three rows. The first two columns are on the left, and the last two are on the right. The first row contains a checkbox and a radio button. The second row contains the number 195 and an empty cell. The third row contains an empty cell. The right side of the table is a 2x2 grid with headers 1 and 2, and data 3FB and 3CT, with X marks below. Below the table is a base with two rounded feet.
